

INVITATION TO PUBLIC PRESENTATION

Alcazar Energy Partners is developing the **Stip Wind Farm** with a **capacity of up to 396 MW**. As part of the Environmental and Social Impact Assessment (ESIA) process, with the support of the Municipalities of Stip, Radovish and Karbinici, **we invite all relevant communities and interested stakeholders to attend one of the ESIA Public Presentation meetings:**

#	Venue/Location	Date and time
1	Stip Municipality meeting hall	31.03.2026 (Tue), 10:00 h
2	"Goce Delchev" Primary School, village of Shashavarlija	31.03.2026 (Tue), 14:00 h
3	Radovish Municipality meeting hall	02.04.2025 (Thu), 10:00 h
4	"Nikola Karev" Primary School, village of Buchim	02.04.2025 (Thu), 14:00 h

The meetings will provide an overview of the project, present the key findings of the ESIA Study, outline the proposed mitigation and management measures and environmental and social management plans, explain the grievance mechanism, and discuss how feedback received during stakeholder consultations has been addressed to date and will be addressed going forward.

Transportation Arrangements for Stakeholders: Transportation assistance will be available for interested stakeholders within the Project area and from specific meeting points. Please reach out and confirm to our Community Liaison Officer (CLO), Victor Dimitrov, at +389 71 349 995 if you would like to attend and need assistance with transportation.
