

INVITATION TO LRP DISCLOSURE MEETING

As part of the **ESIA Disclosure Package** for the **Stip Wind Farm Project**, a **Livelihood Restoration Plan (LRP)** has been developed. We invite all relevant stakeholders identified through the LRP process, including project-affected persons, affected landowners, tenants, all the land users along the project area, concession holders, relevant communities, and other interested stakeholders, to attend LRP Public Presentation meeting.

Venue/Location	Date and time
Hotel Oaza conference meeting hall	01.04.2026 (Wed), 16:00 h

The meetings will provide information on:

- the Project and its possible effects on local livelihoods;
- the purpose and main elements of the Livelihood Restoration Plan;
- who may be eligible under the Plan and the general support approach;
- the proposed support measures;
- next steps and future engagement with affected persons;
- how questions and concerns can be raised through the grievance mechanism; and
- how feedback from stakeholders will be considered.
